Kenneth: please let me know if this helpful http://wiki.echelon2.org/wiki/Research
me: absolutely, thank you very much for you work
Kenneth: no problem. please let me know if there is something specific which needs researching, its what i'm good at
me: That company Xetron
me: I think somebody is helping with it now
me: but I don't know how capable he is
Kenneth: Xetron
me: I'm bringing in a lot of Anons who may or may not be any good at this sort of thing
me: yeah, it was bought by Northrop Grumman
me: it has a page
me: linked at bottom
Kenneth: Ok, i'll look into it. are you in IRC? also, if you check here periodically i am trying to keep it updated
Kenneth: http://wiki.echelon2.org/wiki/Echelon_2:Current_events
me: yeah, I'm in Anonops.irc, #OpMetalGear
Kenneth: k
